DATE: March 28, 2014

The below-mentioned department directive was recently revised and is now being circulated for comment. Please reference the table below for the number, name, and status of the directive.

Reference #	Directive Title	Status	Applicability
535-07-DD	Obtaining Consent for Minors and Adults	Revised-DRAFT	DDSN Regional Centers, DSN Boards and Contracted Service Providers

The following changes were made to the directive:

This directive was revised to incorporate changes in the Adult Health Consent Act enacted January 14, 2014. The provision to offer the opportunity to designate a relative or other individual with whom protected health information may be disclosed has been added.

A form to authorize disclosure (Attach 5) and instructions (Attach 4) for that form has been added. No changes were made in the procedures for obtaining informed consent. Attachments 1 through 3 were not modified; therefore, they have not been included.

If you have any questions/comments, please contact Anne McLean at amclean@ddsn.sc.gov by May 12, 2014. Thank you.
